CHANGE SUNDAY
The United Methodist Women Want Your Change
Sunday, March 9, 2014

We will be CHANGE-ing our clocks to Daylight Savings Time on March 9th. The United Methodist Women are asking you to make that day a day of real CHANGE by rounding up all that loose CHANGE from your home, your office and your car. Bring your CHANGE to church that Sunday and drop your CHANGE in one of our CHANGE baskets on the patio after each service. On its own, a nickel, dime or quarter can’t do much. When we put all of our CHANGE together, it can make a big difference. Proceeds will go to UMW Mission Projects.

STORIES OF SERVICE
As we focus on Uniting with Neighbors in our community and neighborhoods in 2014, we would like to share the amazing stories of service that will take place involving our church family members. We are recruiting a team of journalists who will focus on seeking out and writing down these stories over the next year for publication in the Good News and elsewhere. If you have a flair for writing and would enjoy interviewing and gathering background on Stories of Service at San Carlos United Methodist Church, please contact the church office at scchurch@sancarlosumc.org or (619) 464-4331. Or, if you know of an amazing story of service involving one of our church family members, please let us know.

Ash Wednesday Morning Service
Join us Ash Wednesday morning to mark the beginning of Lent. Two services, 6:00 am and 8:00 am will feature members of our congregation as they inspire us with scripture and their stories. There is no charge, but an offering for missions will be received. Coffee, tea and breakfast muffins will be served. Please sign up at the Welcome Table on the church patio so we have an idea of how many to plan for.

Wednesday, March 5th | 6:00 am and 8:00 am | Fellowship Hall
We did it again…even bigger and better the third time around! For the third year we took on the enormous task of a rummage sale, because the mission will always be greater than the task. Following a rummage sale the questions always asked are; How did it go? Was it successful?...All questions essentially leading to the bottom line of how much money did we make? Well, we did make $3,300. If we were to measure this fundraising event from a pure dollar amount we could list it as a success, however this year’s rummage sale was a success for so many reasons.

An event’s success can be measured by the involvement and impact in the community it is serving. Here are the groups that were directly involved from the community dedicating their time, energy, and donations: San Carlos United Methodist Church & Youth Group, Amor Mission Team, and Patrick Henry High School Boys & Girls soccer teams! By my count, or rough estimate, when you include the people who donated, volunteered, and shopped there were easily over 400 participants...amazing!!!

Secondly, without getting into the finer details or political discussion of where we find ourselves in our world economically, we may all agree…times are tough! And yet we have people giving, and I don’t mean begrudgingly giving out of guilt, I mean giving with a smile on their face. I had many great conversations with people who donated items and the freedom it gave them. They were able to clear clutter, get rid of unused items, and free themselves of the burden of “stuff”.

To accomplish this enormous task we asked 40 teenagers to arrive at 5:00am to move all donated items to the dark parking lot on a cold Saturday morning. We had another 30 teenagers for the second shift to help finish the sale and clean up. People gave freely; they gave freely of their possessions and they gave freely of their time. The items sold allowed others in our community the opportunity to have clothing, shoes, baby supplies, books, towels, toys, kitchen supplies, electronics, furniture, and the “nic-nac” that turns a house into a home.

The rummage sale gave us the opportunity to look in our homes and decide if there were some things we could do without. People gave these items that at one time were important enough on which to spend tens, hundreds, and thousands of dollars. The church parking lot then became a place the surrounding community could come to and purchase items, like a market place. I’ll never forget the smiles of people purchasing items with the feeling they were getting what they wanted at a fair price.

The rummage sale was able to serve people in our community of San Diego as well as others I found serving an even greater community. One shopper loaded his truck with more stuff than I could ever imagine. He was going to take his truckload to Rosarito so people could purchase items for a discount. I met a Pastor from Tecate who purchased a set of 30 chairs to help furnish his church. Another group of people bought six huge bags of clothing to ship to the people of Southeast Asia who have lost everything after the recent natural disasters.
Finally, when the dust settled, we gathered what was left over and were able to donate over half a truck load floor-to-ceiling to AmVets!

Success is always a difficult thing to quantify. Usually we differentiate success by the winner or loser, the one who received the award, the one who earned the most. My definition of success is found in the building blocks of community, relationships, and smiles. I see success in a community of people coming together to transform a task (sometimes a difficult and uncomfortable task) into a mission. So I want to thank you and everyone who helped make this year’s rummage sale a complete success!

**Labor For Your Neighbor**  
**Normal Heights UMC**

It was a weekend in late August. All of the arrangements had been set. The lists had been made and checked twice, supplies had been purchased or rounded up. San Carlos UMC had been counting the weeks down for us as we prepared to go out and be in “Labor for our Neighbors”. One task ahead was to sand, prep and paint the fellowship hall at the 100 year old Normal Heights UMC. This church had suddenly become a special sister church to us in July when our own pastor Brent Ross was appointed there by the bishop.

A few pre Saturday scouts had been doing some prep work earlier in the week, but on Saturday August 24, 2013, it happened, lots and lots of people gathered! After a prayer to praise our loving God (and assure our safety) we went to work. Some on ladders, some scooting along the baseboards, some with rollers on polls. The old 20th century color scheme said goodbye to a fresh coat of new modern two tone colors.

As we began our task, I looked up to the 18 foot ceilings and down at the baseboards, then the chair rail and picture rail that surrounded the room. How can we finish this in one day I thought? My thought was followed by “O Ye of little faith.” It was indeed a marvel to see it happen and the teamwork was incredible! Some were running to keep the roller pans full so those on the ladders didn’t have to stop. Those willing to climb the ladders were making incredible progress on those tall walls. Others more detail oriented spent time “cutting in” on the yards and yards of rails and window edging. People from Normal Heights UMC were working along side of us and provided us with “fuel” (lunch and snacks) to keep the progress in motion. People who didn’t even attend either church had given up their day to be in service as well. The Holy Spirit had entered these gates with thanksgiving.

Before the sun even hinted at going down behind the sea, we were finished! All of that square footage was covered and the miles of railings glistened with fresh new paint. Because our team captain had kept us organized from the beginning, cleanup was relatively painless and in short time we were looking back on our way out the door feeling a sense of accomplishment.

We are called to constantly be in “labor for our neighbors" and we do it without need for praises and atta boys/girls, but I want to share something with you. We have continued to hear thanksgiving for many of the accomplishments that took place that weekend and most recently we received a beautiful certificate of appreciation from Normal Heights UMC stating the following: to San Carlos UMC volunteers from Labor for your Neighbor without your generous giving heart and hard work, our 100th anniversary celebration would not have been possible. It is signed by Rev. Brent Ross. May we all continue to love God and to love our neighbors!

Dear Friends at San Carlos UMC.
I want to tell you I am so grateful and again feel the Christmas Spirit with your lovely Poinsettia. I am so thankful to the church for this thoughtful and caring gesture. Also seeing and visiting my friend Betty Burke.

God loves a cheerful giver. Bless the friends at San Carlos.

Virginia M. Johnson

Dear Church Family,
Thank you for all the cards, prayers and hugs I received during my total hip replacement and rehab. My prayer quilt was with me at all times in the hospital and reminded me of God’s care and love.

It was amazing how many people came into my room knew what it was. This ministry is awesome!

Mary Lou Shellhammer

Many thanks to all those who purchased gift cards from the church in December. Because of your efforts we were able to give $1500 to Missions. The gift cards you purchased gave joy not only to your gift recipient, but also to the needy who benefit from Missions.

Thank you!

Pat MacLean
Gift Card Committee

Dear SCUMC Congregation:
I want to thank you all for the prayers that came with the Prayer Quilt, the many, many "get well" cards, the phone calls, the hospital visits and all other inquiries and concerns regarding my surgery and recovery during the month of November and into December. It opened my eyes to the fact that SCUMC has a whole lot of caring people. I would not have progressed as quickly as I did without those caring prayers and concerns.

With Gratitude,

Rich Bauer

A very big thank you!
On behalf of the entire staff here at San Carlos UMC I would like to say thank you for the generous gift to us from the congregation. Each of us has put a lot of care and dedication to the various ministries we provide and look forward to an amazing 2014!

Cody Clark

Thank you all so much for the love, prayers and Godly works. It is comforting to be surrounded by my faith sisters.

Love and appreciation,

Kelly Barker, Gloria Barker, Molly and Aiden Alfino

Dear Church Family:
Thank you for your love, prayers, concern, and support during my husband Paul's illness and after his passing. I was overwhelmed with cards from so many of you individually as well as the prayer breakfast group--they all meant a great deal to me. The beautiful quilt and prayers that were knotted in provided a lot of comfort to all our family. Sue, the staff, and the volunteers all helped make Paul's memorial service very special. I am blessed to be part of this wonderful SCUMC family.

Lois Roberts DeKock
I would like to thank the United Methodist Women for presenting me with the “Special Recognition Award”. It was indeed quite a surprise, and an honor to receive it.

Jon Shellhammer

Thanks to the generosity and hard work of Prayers and Squares’ members and the San Carlos United Methodist Church. I’ve been able to present many beautiful quilts to family and friends in need of comfort and healing. It has been very meaningful to their lives, as well as mine.

Sincerely,

Coral Brown

Dear San Carlos UMC,

I appreciate the generous Love Gift I received at Christmas from the congregation. It will enable us to do something special on our family vacation in February. Thank you very much!

Pastor Sue Farley

Dear Martha Circle,

Thank you so much for painting 125 candle votives. The kids received their own Advent wreath with a book of readings. I know the families appreciated it. We couldn’t have done it without your help.

Do You Have a Favorite Recipe?

The United Methodist Women will print a new church cookbook this year. It has been almost seven years since our last cookbook and we would like to start collecting recipes and have the book ready to sell by fall. We hope you will begin to look through your favorite recipes so that they can be included in our new book. More information will be coming soon or you may contact Marge Thompson at 465-8608 or sthomp5464@aol.com

For Groups Meeting on Campus

In an effort to control costs for 2014 and to eliminate unnecessary services, we will now have fewer nights of janitorial service for meeting rooms on the church campus each week. Staff members will take on some of these duties, and we are asking Church members and outside groups using rooms here to help out by tidying the rooms after they leave, if necessary. There are additional vacuums available in case the floor needs cleaning after your meeting or event, and extra trash liners are available should you have a lot of food waste from your event. If you need any assistance or information regarding setting up your events/meetings or cleaning up afterward, please feel free to contact Renata in the church office. I am happy to help with table set-up while I am here Monday through Thursday and any other heavy-lifting needs you may have. Thanks for your support!
Attention Shoppers!

Do you buy groceries and gas on a weekly basis? Do you eat out once a week? If you answered yes to either of these questions, you could be donating money to the church’s Mission programs without giving a penny out of your pocket!

The church purchases gift cards at a discount from hundreds of different vendors. We sell them at face value to church members and the profit goes to our Missions programs. Below is a chart showing some of our most popular gift cards and the profit gained from them. If you and your family make a point of buying gift cards from the church on a weekly basis, your efforts can translate into substantial growth for Missions funds.

Please come and see us next Sunday in the Volunteer Room between services or after second service. We have over 20 different card types immediately available, and hundreds more which may be special ordered for one week delivery.

**Connection Cards**
*Getting Connected at SCUMC*

Every Sunday, without fail, you are asked to pull out and complete your Connection Card. The thought probably crosses your mind occasionally, “Why do I have to do this again?” or “What do they do with these things anyway?” Well, the Connection Card is far more than a piece of paper that notes your attendance – it is your direct communications link with the church, the staff, and its members. Think of it as your private line to the pastors and ministry leaders here at San Carlos UMC. We care about you and what’s going on in your life. We value these cards, and want you to share with us your prayer requests and praises, questions you may have, your desire to learn more about the ministries and services offered by the church, or anything else on your mind. We pledge to faithfully lift up your prayers each week, to connect you with the people, ministries, and service opportunities you are looking for, and to respond to your questions. Thank you for sharing with us and letting us serve you.

**Flowers for the Sanctuary**

You can choose the date you would like the flowers, the amount of money you would like to spend, and the type of flowers and style of arrangement you would like. Please contact the church office with any questions.

**See New Things with the Voyagers**

Do you want to meet and have fun with some new people? Think about joining the Voyagers fellowship group.

The Voyagers have just planned an interesting, varied and fun schedule of activities for the year and we welcome new people. The group usually meets the second Saturday of the month; however, most of the members are retired and somewhat flexible about our monthly excursion days and times. Although we are a social group, we think it’s important to support mission opportunities such as Labor For Your Neighbor and holiday projects.

Some of the programs in the works are visiting the new San Diego Central Library, the Pirates exhibit at the Natural History Museum, a Liberty Station memorial area, an Ocean Beach Walking Tour, Father Joe’s Nativity Collection, the movie *Heaven is for Real*, San Diego Concert Band at the Organ Pavilion, and hearing a talk on Hummingbird Rescues. Most of our gatherings involve a meal of some sort so there is lots of time for getting to know each other.

The annual dues are $10 per person. Please contact Barbara Anderson, rbander1@cox.net if you’re interested and need more information.

---

It’s that time of year when the NFL does the Super Bowl and here, at San Carlos UMC, we do our version of the Soup-er Bowl. Even if you don’t like football and don’t know who is playing, you can celebrate the SOUP-ER BOWL at our church!

On Super Bowl Sunday, February 2nd, bring any food that comes in a can, box or package (soup, chili, pasta, beans, rice, vegetables, canned meat, canned tuna, pasta, etc.) with you to church. We will collect these donations on the patio to benefit the Good Neighbor Center.

The Good Neighbor Centers are emergency food and clothing distribution agencies in Southeast San Diego and South Bay. They operate under the administration of the San Diego United Methodist’s METRO organization.

**OPERATION GRATITUDE**

*Letters to currently deployed service members, Wounded warriors and veterans of previous conflict.*

Personal letters of appreciation are one of the most cherished items that are received by our troops and it only takes five minutes to write something in a letter that will bring great joy. If you are interested in writing letters to our deployed service members, wounded warriors or veterans of previous conflicts, please contact Susanne Brookens or call the church office for additional information including helpful ideas about what to write along with topics that should be avoided. No stamps or envelopes are needed and COMMUNITY OUTREACH will provide the stationery. Here is a response from one Viet Nam veteran who received such a letter:

I received your letter today. I was somewhat confused because I did not recognize your name or the organization. When I showed it to my wife, she told me that she had submitted my name to your organization. You will never fully know how much your letter means to me. As I read it, I teared up because I can tell that you are speaking from your heart. It is because of Americans like you that veterans are proud of their service to our country and that is why our current warriors are proud to serve this great nation and its people. I recently attended my first military reunion for the units that I served with in Viet Nam, the 1st Infantry Division and the 1st BN 26th Inf. Regiment. One of the men that I met made a comment that really hit home. He said, “Finally today it is okay to be a Viet Nam Vet. It is truly sad that it took 40 years. Because of you, it is more than just okay to be a Viet Nam Vet. You touched my heart. Thank you.

Respectfully,
This man has been a long time member of San Carlos UMC and has been very active in the life of the church over the years. He was a MYF counselor in the 70’s. For those of you you that are too young to remember MYF, that’s Methodist Youth Fellowship, and in the 70’s there were lots of youth and 45 to 50 generally attended Sunday evening MYF.

While his boys were young he was also involved in Scouting and was the Assistant Scout Master. This person has formerly been a member of the Board of Trustees, a Sunday School Teacher and an active member of the Church Camping Group, Holy Rollers.

He is currently active in the Fixer Uppers and has been seen painting the sign that you see when you come into the church driveway, as well as many, many other projects around church.

He is an usher and is always willing to usher at memorial services. He can currently be found helping count money one Monday morning each month. We’re not sure if his wife nudged him a little bit since she counts that week also.

He can even be found helping the United Methodist Women with many of their events. They wouldn’t know what to do without him. This person is available to help out in any situation and is always friendly to anyone he meets.

So please welcome Jon Shellhammer as he is honored with this United Methodist Women’s Special Mission Award.

This lady began attending our church in 2009 and immediately joined the Hand Bell Choir. She has assisted Paula Palmer as needed and has played solos on the hand bells several times. She also played a bell solo for New Entra Casa’s annual music festival, which is a fundraiser for New Entra Casa and features musical groups from various United Methodist Churches.

She is a member of the San Carlos UMC Prayers and Squares Outreach Program and she is always willing to help others learn to quilt. This lady also started the Praisercise Class that meets weekly and she has headed up the Women’s Retreat Committee for two years.

Her passion is the mission work that she has done for two years for the Guatemala Project. On her first trip to Guatemala she helped build outdoor stoves to help promote better air quality for residents. On the second trip she took donated bells and taught some of the people how to play the hand bells.

When she returns from her mission trips she continues to donate her time for the Guatemala Project by displaying and selling the beautiful handmade goods at various churches in the area to help bring new life and hope to an area that struggles to survive.

Please welcome Ruth O’Neil as we honor her with our United Methodist Women’s Special Mission Award.

“From Christ to Constantine”  
“The Trial and Testimony of the Early Church”  
Sunday’s, February 2nd - March 9th  
8:30 - 9:30 am, Room 101/102

Have you ever wondered how a new idea about God and His relationship with mankind impacted the Roman world so effectively that in a little more than three centuries Christianity was established as the state religion? Particularly since it was first proclaimed by a small group of Jewish peasants testifying in an extremely hostile environment. After periods of misunderstanding, accusations and intense persecution the Christian message triumphed!

The early church would surprise us if we were suddenly thrown back in time. What would happen if we had no written New Testament or creeds, no communion furnishings, no dedicated church building or full time pastor? Would we still be a church?

Beginning February 2nd and continuing for 6 weeks the Seekers Adult Bible Study will explore this subject.

You are invited to join us in room 101 each Sunday from 8:30 am to 9:30 am as we experience this amazing story. Our program will consist of a combination of videos, bible study and discussion as follows.

February 2 “Foundations”: The Christian church is like a tree. We find ourselves in 2014 out on one of the branches. The branches are of course attached to a trunk and the trunk to roots. What are the trunk and roots like?

February 9 “Spread”: Christianity seemed to be, in the eyes of the Roman Empire, a strange new faith that was leading people away from respectable religion. The rapid spread of Christianity becomes even more amazing when Roman attitudes toward religion are understood.

February 16 “Accusation”: Christians talked about “brothers and sisters” sharing “love” with a “holy Kiss” - no telling what Romans minds would think! They talked about “eating the body and blood of the Son” - and gross pictures of cannibalism were conjured!

February 23 “Persecution”: Living in freedom we can easily adopt a “don’t rock the boat” attitude. In fact the early Christians “rocked the boat” and paid dearly for it!

Meals on Wheels Volunteers Needed!

Each year more than 2,200 San Diegans donate their time to Meals-on-Wheels. Many of their senior clients say that the best part about their meal delivery is the friendly, caring volunteers. Are you ready to be one of those volunteers? We’re looking for **INDIVIDUALS, COUPLES, or SMALL GROUPS** who are willing to deliver meals to our neighbors here in our own community for Meals on Wheels. Currently, we have one group serving the first Monday of the month, one group serving the second Monday of the month and one group serving the third Wednesday of the month. You can volunteer once a month, once a quarter or whenever is convenient for you. It doesn’t require a lot of your time – only 1½ to 2 hours. No heavy lifting or strenuous activity necessary. From such a small commitment comes a great reward. What about you?

If you’re retired, we need you. If you have a flexible work schedule, we need you. If you have some vacation time coming, we need you. If you’d like to spend some quality time with your son or daughter during school breaks, we need you.

Call or email Jeanne Bauer or call the church office during the week and we will contact you to discuss the details and give you a personal invitation to join our other volunteers. It’s a great way to give back to others for all of the blessings God has given you.
